Mr A Phillips Headteacher

Dear Parents and Carers,

On Monday 15th January 2018, Cannon Lane Primary School took part in a UNICEF Rights Respecting Award inspection. This was a very rigorous process, involving many children from across the school as well as teachers, support staff, parents and governors.

I am delighted to report that our assessment visit was successful and we have now been officially recognised as a **Gold Level Rights Respecting School**. This is a fantastic achievement as only a very small number of schools across the country have been recognised with this award.
Throughout our assessment visit, children displayed compassion, respect and a mature understanding about the importance of their rights, as well as recognising that not all children in the world have their rights respected. The report highlights many positive elements of our school:

*'As a school with high levels of attainment, Article 29 is a key focus with supporting children to achieve as well as they can academically. Alongside this there is a strong desire to ensure that pupils' education is both broad and deep. The school aims for all children to be '**happy, safe and successful**' and 'to provide a holistic education that is grounded in moral, social and spiritual values'.'*
'Empathy and respect are hallmarks of the Cannon Lane school community. An understanding of rights has helped children and adults to become aware of those around them; in school, the local community and the wider world.'
'Inclusion is a noticeable strength and difference is both respected and celebrated.'
'Empathy and respect are the hallmarks of the Cannon Lane School Community.'

I would like to thank all parents, staff, governors and pupils for their commitment to this process. In particular, I would like to thank Mrs Mistry for taking a lead on this in school and for the hard work that she put in to the accreditation process.

Please continue to discuss the Convention on the Rights of the Child at home and consider this in relation to local and global issues. Further information can be found at:

If you are interested in learning more about being a Rights Respecting School and would like to be part of a steering group, then please contact Mrs Mistry. She would be very grateful for your support!
Yours sincerely,

Mr A. Phillips
