What do you hope to achieve as an SLE?	I would like to assist schools in developing their music curriculum giving breadth and depth to the subject, using their children, as the starting point, and help children/teachers to reach Mastery level. Given the importance of Intent, Implementation and Impact, I believe that I could help schools develop a rigorous and effective Music curriculum which stands up to OFSTED inspection, whilst also enabling children to develop their talents, as is their right – Article 29 UNICEF Rights of the Child
Specific Areas of expertise, and how you might be able to help other schools:	• Developing singing across the school • Developing instrumental groups and choirs • Planning an effective and broad Music curriculum • Assessment • Composition – creativity – song writing • Knowledge and use of online resources to enrich Music curriculum
