SLE area of expertise:	Mathematics
Current Responsibilities:	• Maths • Designated Safeguarding Leader • Behaviour Leader • Coaching and Mentoring Schools Direct and NQT's • Educational Trips Officer • Year 5 and 6 Intervention Leader
Previous Career History:	I have been teaching for 8 years, during this time I have had experiences across all year groups in KS1 and KS2 and the opportunity to lead on the following: • KS1 and KS2 Phase Leader • KS1 Moderator • Phonics Leader • After School club leader • Maths Leader • NQT and School Direct Mentor
What do you hope to achieve as an SLE?	As an SLE, my aim is to work collaboratively with School Leaders to explore currently practises, identifying the strengths and needs of their schools and using this information to provide a programme of support. My hope is that I will empower leaders and upskill teachers in developing their Maths curriculum, ensuring quality first teaching which enables pupils to achieve their best possible outcomes.
Specific Areas of expertise, and how you might be able to help other schools:	• Working with co-ordinators to develop themselves, portfolios, their subject knowledge and training skills • Liaising with leaders to explore the Maths Priorities for the school • Introducing and developing a Maths Mastery approach to teaching • Conducting monitoring to identify the strengths and needs of the school • Support in exploring strategies and initiatives to complement and improve quality if teaching • Data analysis and setting up intervention groups • Imparting my knowledge and experience to upskill teachers and leaders • Provide additional support through CPD, Coaching and Mentoring to upskill individuals, groups or whole school staff
