Phonics

Little Wandle Letters and Sounds Revised

Our school uses *Little Wandle Letters and Sounds Revised* as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

Phonics is:

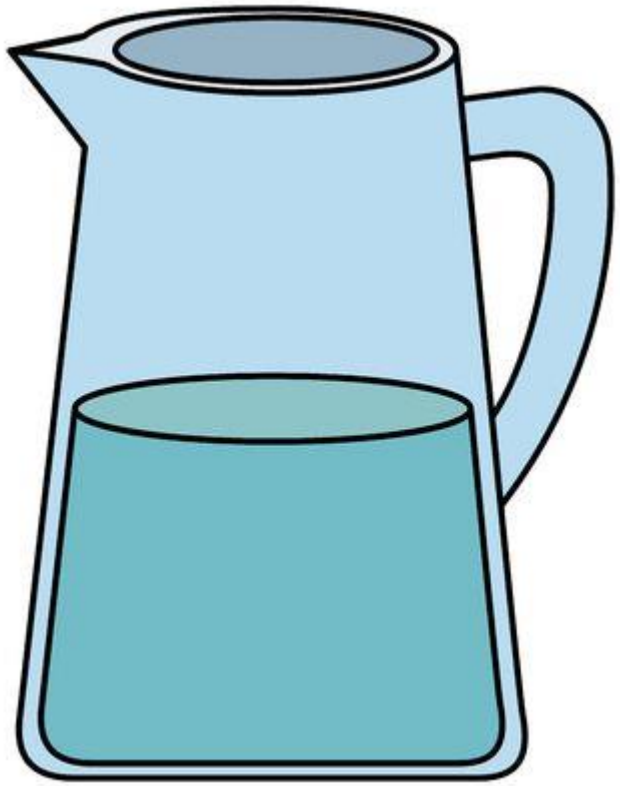

making connections between the sounds of our spoken words and the letters that are used to write them down.

Blending and Segmenting

Blending is recognising the letter sounds in a written word, for example c-u-p, and merging or synthesising them in the order in which they are written to pronounce the word ‘cup’.

Segmenting is identifying the individual sounds in a spoken word (e.g. ‘him’ = h – i – m) and writing down letters for each sound to form the word.

Little Wandle Letters and Sounds Revised 2021: Programme progression

Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

How do we teach reading in books?

Reading practice sessions are:

- timetabled throughout the week
- taught by a trained teacher/teaching assistant
- taught in small groups.

How do we teach reading in books?

Reading practice sessions consist of:

- Decoding session
- Prosody session
- Comprehension session
- We read for 1 hour a week with your child on the same text in Reading Practice sessions

After the first half term we use assessment to match your child the right level of book

Reading a book at the right level

This means that your child should:

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head) – their reading will be automatic
- Only need to stop and sound out about 5% of the words by the time they bring the book home – but they should be able to do this on their own.

Reading at home

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to…

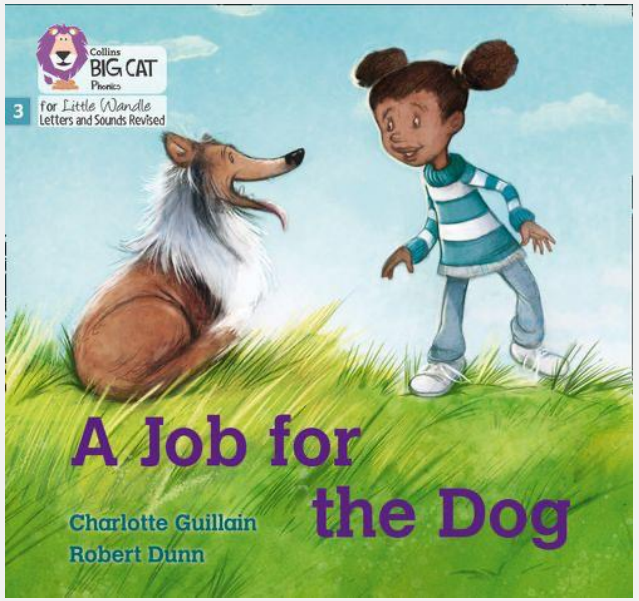

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

Learning to read E-Book

Book to share at home

Why E-Books?

- Books were not being sent back to school
- We want the children to get the books they need on a weekly basis
- To purchase the books for Reception and Year one it cost over £10,000
- Children have had access to the ‘real’ book 3 times over the week leading up to Friday
- Children still have a book to share weekly

- Talk with your child as much as you can:
  - Introduce new and exciting language
  - Encourage your child to use new vocabulary
  - Make up sentences together
  - Find different words to use
