An introduction to our online payment service

PARENTPAY

What does ParentPay do?

- Enables you to pay online
- Offers a highly secure payment site
- Give you a history of all your payments
- Allows you to have a single login for all your children who attend a ParentPay school
- Shows you all relevant payment items for your child
- Emails you a receipt of payment

How does ParentPay help you?

- Gives you the freedom to make parents when and from wherever you like
- No need to write cheques or find the cash
- Peace of mind that your payment has been made safely and securely
- Pay in instalments to suit your budget
- ParentPay is quick and easy to use

How does ParentPay help Cannon Lane Primary School?

- Instant, accurate records of all payments made to school
- Better for the environment, reduction in paper, less trips to the bank
- Offers a more efficient collection process by having a cashless school

How do you get started?

- You will be sent an activation letter containing your activation details. This will enable you to set up your ParentPay account
- If you already have a ParentPay account with a child at another school you can simply add your Cannon Lane child to that account.
